Village of Seville
Streets Meeting
September 22, 2010

The meeting was called to order at 7:45 P.M. by Chairperson, Roger Kilgore.

Roll Call: Barb Schwartz, James Lovejoy, Roger Kilgore, and Streets Commissioner, Jon Sobczak.

B. Schwartz made a motion to approve the minutes of 8/25/2010. James Lovejoy seconded it.

Street Commissioner Report: submitted by Jon Sobczak. See attached.

Maintenance Report: submitted by Dave Wyatt, read by Jon Sobczak. Dave was on vacation. See attached.

Old Business:
None

New Business:
Jon announced that the Leaf Pick-Up for 2010 would be exactly the same as previous service provided except for Saturday pick-up. In the past, they picked up on Saturday's. They are going to start the route on the 18th of October and run five days a week until November 1, at which time they will add Saturday's to the route until Thanksgiving. Jon would like to end the route the week of Thanksgiving.

Privilege of the Floor:
Sue Cox commended Jon and his crew on what a good job they are doing with the ADA ramps.

J. Lovejoy made a motion to adjourn. B. Schwartz seconded it.

R. Kilgore adjourned the meeting at 8:00 P.M.

Respectfully submitted by:

Roger Kilgore
Streets Committee Chair

SEPTEMBER STREETS REPORT

We tore out and replaced 125 LN. FT. of concrete on cedar ct. this month at a cost of $3750.

We tore out and replaced eight sections of sidewalk and installed 8 new a.d.a.s to Seville sidewalks this month with 7 more to complete for the 2010 calendar year (26 have been completed so far this year) 25 was the target.

How many more

We put up all the flags and the bunting for the Labor Day holiday weekend; we took down all the flags after and stored away.

We continue scraping down and painting signposts throughout the village as we can, we will paint all remaining u-channel posts silver this October.

The street dept. worked with bopa on a project this month putting in a ground water line on west main st. to preserve the integrity of our roadway.

We had west main st., high st. and Ryan rd. all motor paved this month by Lytle construction cost est $24000

We hauled 19 dump truck loads of our broken concrete out to Guilford twp. Garage and two loads out to Westfield twp. Garage.
We had several broken springs on the int. 4900 dump truck (this truck is 10 years old) Stuver spring suggested that we replace all of the springs on the truck due to rust and wear total cost $2300. Including labor.
We picked up a large pile of brush and branches along the road and took them out to recycling.
Cleaned all the gutters on the street dept. garage.
Painted stop bars, crosswalks that was in need of painting.
We ran the street sweeper throughout the village sweeping the down town area weekly. (Sweeper is running just fine)
We pick up all downtown trash twice a week.
Maintenance all street dept. trucks regularly.
Paid all bills for the department attended all meetings, ext.

Respectfully submitted
Jon sobczak
