Village of Seville
Streets Meeting
August 25, 2010

The meeting was called to order at 7:45 P.M. by Chairperson, Roger Kilgore.

Roll Call: Barb Schwartz, James Lovejoy, Roger Kilgore, and Streets Commissioner, Jon Sobczak.

B. Schwartz made a motion to approve the minutes of 7/29/2010. James Lovejoy seconded it.

Street Commissioner Report: submitted by Jon Sobczak. See attached.

Maintenance Report: submitted by Dave Wyatt. See attached.

Old Business:
Kilgore spoke with Ted regarding Gina Young's sidewalk problem. Ted told him that it is the property owner's responsibility. Barb wanted the Committee's opinion regarding if we should set aside funds for street repairs from water breaks or other unknown emergencies. Jon said that it is relatively inexpensive because they usually use 411 compacted. He also said that if it were a water break, that if Kevin tears something up, he replaces it. Barb said that she would share this information with Jim Carrick.

New Business:
Jon said that he called Lytle and gave him the go ahead regarding the road re-surfacing. These three roads have been on the sidelines for four to five years and are in need of repair for a cost of $24,552.00. He wants to ask Lytle to shim the South side of Rt. 3 downtown. He would also like to address the intersection of Liberty Street and East Main Street. Jon would like to get a quote for this. Kilgore asked if we are responsible for repairs on Route 3 or the State. Jon said he talked with ODOT and general maintenance is up to us. Kilgore asked what time frame is for Lytle to do the resurfacing. Jon said once we send him our acceptance, he will give us a date. Lovejoy made a motion to approve the resurfacing, Schwartz seconded it.

Kilgore said that Jon did a good job regarding the 2011 Budget. Kilgore said that he wants to see additional funds added in towards a new dump truck to purchase possibly in 2012.

Rick Stallard asked regarding the high price of salt. Kilgore explained that this is the cost to get into a consortium in order to get salt cheaper. Jon said that this is a type of a state purchasing program. We were able to get salt between $16,000 and $18,000. The co-op cost was $46 State bid was $55.

Evaluations are completed. Kilgore said Jon did a good job with them and they are ready to be turned in.

Paula Gordon asked why the lines are crooked on Greenwich Road. No one seemed to have an answer.
Sue Cox noticed a fence of Rose of Sharon and said that it if it grows much more, no one can walk by. Jon will check on this.

Privilege of the Floor:

R. Kilgore adjourned the meeting at 8:05 P.M.

Respectfully submitted by:

Roger Kilgore

AUGUST STREETS REPORT 10'

Tore out and Replaced seven sections of concrete in the pin oak trl. development that were in need of repair, most were on cedar ct. there are five more sections in this development to be completed this year then on to water st.

12 new a.d.a.s were added to Seville sidewalks this month with 8 more to complete for the 2010 calendar year (18 have been completed so far this year) 25 was the target.

Continue scraping down and painting signposts throughout the village as we can, we will paint all remaining u-channel posts silver this September.

We hauled five loads of mulch out to Leohr Park using both 4900 dump truck and backhoe along with all of the remaining mulch out to CY Hewit Park.

We worked with bopa on a couple of projects this month.

Street dept. trucked in four 23-ton dump truck loads of stone that were used for our concrete work projects cost $1000.

We hauled 15 dump truck loads of our broken concrete (streets) out to baker sand and gravel cost is $2.00 a ton to dump total billing $282.56 – I have spoken to Guilford twp. About a project they need to complete that may take all remaining concrete for the 2010 year.

We ran the street sweeper throughout the village sweeping the down town area weekly. (Sweeper is running just fine)

We have been mowing all right of ways this month using Westfield's tractor/flail mower throughout the village and along state rt. 3

Trimmed up many low hanging branches along sidewalks and for sight distance safety.

Moved streets & parks office.

We pick up all downtown trash twice a week.

Maintenance all street dept. trucks regularly.

Paid all bills for the department attended all meetings, ext.
