

**Parks Committee Meeting Minutes
Wednesday, March 26, 2014**

Call to Order:

Chair Kathy Rhoads called the meeting to order at 7:34 p.m.

Roll Call:

Present: Chair Kathy Rhoads, Larry Landis, Carol Carter, Bonnie Gordon and Sue Cox

Approval of Minutes:

Larry Landis made a motion to approve the minutes of February 26, 2014, and the motion was seconded by Carol Carter. Four aye votes. Bonnie Gordon abstained. The minutes were approved as written.

Parks & Streets Commissioner's Report:

The attached report was submitted by Jon Sobczak.

Privilege of the Floor:

None.

New Business:

Chair Rhoads asked if there were any additional items to be added to the Ohio Block Grant. Mr. Sobczak asked to have the ADAs ramps for the downtown intersection and by the railroad tracks be included.

Mr. Sobczak presented the Committee with information to replace a 14 year old John Deere tractor that its use is very limited. Mr. Sobczak presented an offer for a four wheel drive Kubota hydrostatic tractor with front end loader, grapple, three point blade, canopy top with work lights, brush hog, six foot core aerator, and 20' trailer for \$27,700. Mr. Sobczak asked for permission to buy the tractor this year instead of waiting for next year. Bonnie Gordon made a motion to recommend allowing the purchase of the Kubota tractor. Larry Landis seconded the motion. Aye votes all.

Mr. Sobczak took a moment to explain why there are stumps left behind at Cy Hewit. When the weather gets better, the Department will remove the stumps. The Department wants to be sure they get the stumps and the suckers so there aren't any future problems.

Old Business:

At this time there is not an update on the Run for the Trails Expansion. Mrs. Gordon is intending to have special meeting as the process goes further. This topic will be carried to next month.

Old Business (continued):

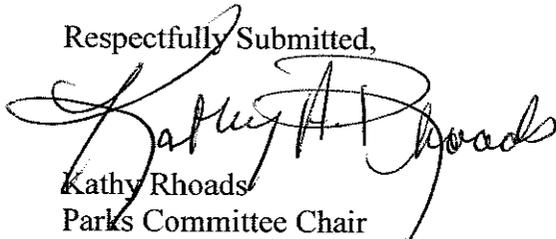

Carol Carter asked the Committee how feasible the idea of a dog park is before investing too much time. Mrs. Carter knows of residents that would like to see the dog park move forward and are willing to donate funds. The Committee asked Carol Carter to have a proposal presented for a dog park. There was a discussion the proposal should include space needed, location options, structures, parking, water needed, and cost estimates. The proposal could also be presented in phases.

The Committee discussed times to meet at the Maintenance building and see the progress with the new park equipment at Cy Hewit. It was decided to meet at 2:30 p.m. at the Maintenance building on Thursday, June 19th.

Mrs. Cox thanked Mr. Sobczak and the department for their help with cleaning up a dead animal along the road.

Bonnie Gordon made a motion to adjourn the meeting and Carol Carter seconded the motion. All were in favor. The meeting was adjourned at 8:11 p.m.

Respectfully Submitted,

 4/22/2014

Kathy Rhoads
Parks Committee Chair
