September 22, 2110

Called to order 7:13

Bonnie

Sue

Roger Kilgore

Kathy Rhoads – Late

Council notes from August 25 approved with corrections. Jim will provide to Jim Carrick as corrected to post on the website.

September Parks Report provided as an attachment to these notes:

Mowing continues –

- Due to need control mosquitoes
- Delinquent properties

Maintenance on bike trail

- Front and creek side cut 50 feet right-of way
- Seal coating successfully – repair on cracks will occur in the next 30 days.
- \$266.00 and 10 man hours to replace bridge railings due to vandalism

Last mosquito application occurred on Sept. 6

Privilege of the floor:

- (Sue Frey – West Main, Seville OH) Leohr park – Additional trail, mowed as a side trail for walking, is being used for 4-wheeling. Mostly riders are there on weekends and at night. They are not vandalizing, but the presence of 4-wheelers is not permitted. Chief was at meeting and is aware of issue and will address.

Committee shared information about the Nursery will be created on the landlocked property purchased from Ben Wetter several years. North of evergreens is where the nursery will start. Expansion will be as needed although it will not take much land and expand as time and need permit. The purpose is to grow Northern Ohio hardy plants and take advantage of nursery pricing for plants that must be purchased. Jon will work with Ohio State extension office.

- (Sue Frey – West Main, Seville) Question about the trees and who trims. Discussed getting the trees trimmed by a professional. This year there is no budget or equipment for trimming beyond emergency need. They did fit in tree trimming by library and in the parks. Jon will budget for professional services for tree trimming this year.
- Jon assured everyone that Round-up will not be used around the trees.
- Jon also explained they have taken a greener approach to park maintenance, which will continue into next year.

General Discussion

-
- Kathy Rhoads arrived at 7:20 PM (late due to family obligation)

Old Business:

- Jon is still working on the budget. Draft will be presented at the work session. Two work sessions were held to work specifically on the budget.
- Work session scheduled for October and will be advertised.
- Run for the Trails update provided by Bonnie Gordon.
 - Attendance was up and fund raising went well.
 - Saturday, May 14 is the Lightning Bug Run at Buckeye Woods Trail. Proceeds will be split between Medina and Seville.
 - Volunteers are welcome.
 - Giantfest
- Jon will send electronic maintenance report.
- Notes from September were reviewed. Parks ideas included:
 - Find additional ways to serve the young families and children in the community.
 - New cannon for Memorial
 - Water attraction – splash pad
 - Grills for picnics
 - Eagle Scout project is underway in Memorial.
 - Fix the low lying areas on bike trail.
 - Regular seal coating and maintenance of edges.
 - Equipment replacement.

Adjourned at approximately 8:25 (exact time was not noted)

An audio tape of this meeting is available.

Parks Maintenance reports are included as an attachment.

Respectfully Submitted,

Jim Lovejoy
Parks, Chairperson
