Chief's Report

Chief is on a well deserved vacation and we do not have a report tonight.

New Business

Richard Barbera expressed a concern of how it looks with the old Police Cars in the parking lot. It was discussed that it does not look very good when the Village does not comply with its own rules. Kathy Rhoads will talk with the Chief and see what progress has been made on getting rid of the older cars. Mr. Sulzener pointed out one had been donated and one was waiting for equipment to be removed and waiting for a final cost from insurance.

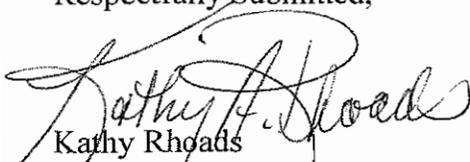

Old Business

The Key Audit - All keys have been made available to Jim Carrick and Chief Burson at this time. The official Audit will be done the first of the year.

Cruisers - The 2011 Charger is on the road and the others have been ordered.

A motion to adjourn the meeting by Jim Lovejoy and was seconded by Kathy Rhoads and aye votes all. The meeting was adjourned at 6:42 p.m.

Respectfully Submitted,

  
Kathy Rhoads  
Safety Committee Chair
