

**Seville Street Committee
Wednesday, January 23, 2013**

Call to Order:

Acting Chair Kathy Rhoads called the meeting to order at 9:48 p.m.

Roll Call:

Present: Kathy Rhoads, Larry Landis, and Alternate Leslie Miller

Absent: Chair Roger Kilgore

It was felt there was not enough Committee Members present to approve the November 28, 2012, meeting minutes.

Streets & Parks Commissioner's Report:

The attached report was submitted by Jon Sobczak. The 2013 International Dump Truck should be ready mid-February

Privilege of the Floor:

Barb Schwartz has asked Mr. Sobczak to create a scheduling report to include vacation, sick, comp., and personal time. This report should be given at the next meeting.

Barb Schwartz has previously spoken with Richard Barbera and he suggested coming up with a rededication on part of Main St. This could give downtown Seville a destination showing the collection of antique and art stores. A few ideas were discussed. Kathy Rhoads and Leslie Miller will talk with the businesses and get their opinions.

New Business:

Mr. Sobczak presented his recommendation of 25 names and addresses for Resolution 2013-01. Mr. Sobczak sorted his work by zones and expense. Exhibit A for Resolution 2013-01 will be created from Mr. Sobczak's list and forwarded to Council for approval.

Page 2

Old Business:

GPD will be reporting their findings the first week of February for the Liberty Street Bridge.

El Patron and Dollar General's sidewalk is on the Spring Agenda. Both businesses are supporting the project.

Leslie Miller made a motion to adjourn the meeting and was seconded by Larry Landis. All were in favor. The meeting was adjourned at 10:03 p.m.

Respectfully Submitted,

Kathy Rhoads
Acting Streets Committee Chair

**Village of Seville
