

Seville Technology and Communication Committee
Meeting Minutes
Monday, April 4

I. Call to order 8:26 PM

II. Roll call

- Richard Barbera
- Mayor Carol Carter
- Chair, Kathy Rhoads

III. Approved minutes from March 7 meeting – aye votes by committee members in attendance.

IV. Privilege of the Floor

V. Old Business and Legislation

- a) The committee will need to decide if the work requested from Mr. Tony Harmon is complete so that the bill can be paid. This was not resolved in April.
- b) January 3 notes on the website are dated incorrectly. Corrected minutes will be reviewed at the next meeting for possible approval.

VI. New Business

- a) Guidelines for what to post on website were discussed briefly but no decision were made. This will be an item on the May agenda.
- b) Discuss potential upgrade or investigating new hosting possibilities were introduced as a topic that requires additional discussion. This will be an item on the May agenda.
- c) Discussion to include ordinances determined it was not necessary to codify them before posting. We will need to determine as a committee if this is something we recommend going forward. This will be an item on the May agenda.
- d) Discussed putting bills on the website. We will need to determine as a committee if this is something we recommend going forward. This will be an item on the May agenda.
- e) Discussed requesting the following items as part of the five year budget that will be discussed in Finance. Funding was not discussed in detail this will be an item on the May agenda.
 - Laptop for use in Council Chambers
 - Screen for Council Chambers or possibly a flat screen
 - Microphones and improved audio equipment

VII. Adjournment 9:05 PM

Respectfully Submitted,
Kathy Rhoads
