

Seville Technology Committee
Minutes
02-06-2012

Kathy Rhoads called the meeting to order at 8:44 PM.

Present:

Kathy Rhoads-Chairwoman
Larry Landis
Leslie Miller

Absent:

None

Mrs. Rhoads moved to approve the minutes from November 7, 2011. The motion was seconded by Mr. Landis. Mrs. Rhoads voted for the motion. Mr. Landis and Mrs. Miller abstained. The minutes were approved.

Privilege of the floor:

A question was asked concerning the updating of the Village web-site. Mrs. Rhoads explained that with the new administration, procedures were being put in place to have the web-site updated on a regular basis.

It was also asked why there was only one Cable Company in Seville. Mrs. Miller said that at the time the decision was made there were not enough customers to attract any other company.

New Business:

Mrs. Rhoads introduced Mr. Landis and Mrs. Miller as the new committee members. Mrs. Rhoads presented an invoice and quote from Brian Schwartz for web-site work. After a brief discussion, the committee recommended that Mr. Schwartz be approved by council as Village's Technology Consultant and the invoice be paid.

Old Business:

The Elected Officials page of the web-site has some items that need to be updated. Mr. Schwartz will take care of the updates.

Other web-site issues:

The events portion of the calendar will be divided into two categories. Village sponsored events such as committee meeting will be listed in the calendar page. The events page will list community events that are sponsored by groups that are not involved with the Village government such as The Chamber of Commerce and S.E.E.K. The committee will work with the Village Solicitor to place a disclaimer on the community events page to differentiate between community events and festivals and Village sponsored events. The "Events Board" in front of the library will not be subject to a disclaimer. The committee will allow Councilwoman Barb Schwartz to use her best judgment concerning what to post the board.

The Fiscal Officer will be responsible for sending signed minutes to Brian Schwartz for posting to the web-site including any 2011 minutes not posted.

A more visible link to the "comprehensive plan" should be addressed with Mr. Schwartz.

The audio minutes column should be removed from the web-site.

The committee asked for suggestions for new pictures to be posted on the web-site. These can be discussed at the next meeting.

Mrs. Rhoads suggested reviewing the web-sited of Barberton, Medina, Amherst, and Wadsworth for possible ideas for a new look for the Village web-site.

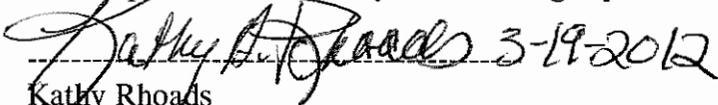

New Business:

The networking of all village computers is not recommended by Mr. Schwartz at this time.

A new computer and cable internet access for the Street/Park Superintendant was discussed. Mr. Sobczak currently has a wireless Netbook, but it does not work inside the steel building where his office is located. The cable internet access will cost about \$80.00 per month.

The Fiscal Officer has two desk top computers not currently being used. These may be useful to either the Police or Street Departments.

Mrs. Miller made a motion to adjourn. The motion was seconded by Mr. Landis. The motion passed unanimously. The meeting adjourned at 10:17 PM.

Kathy Rhoads
Chairwoman
