

Seville Technology Committee  
Minutes  
05-07-2012

Kathy Rhoads called the meeting to order at 8:08 PM.

**Present:**

Kathy Rhoads-Chairwoman  
Larry Landis  
Leslie Miller

**Absent:** None

Mrs. Miller moved to approve the minutes from April 2 with a correction to the date. The motion was seconded by Mr. Landis. The motion passed unanimously.

**Privilege of the floor:**

None

**Legislation under consideration:**

None

**Old Business:**

There was a review of the priorities of the committee.

There will be no change in the postings on the bulletin board on the web-site at this time.

The current presentation of the web-site will remain unchanged as well.

The ordinance and contract for technology services with Brian Schwartz have been adopted by council and signed by all parties. Mr. Schwartz has already begun work on several projects.

The disclaimer has yet to be put on the web-site. Because of the length of the disclaimer, it will need to go on a separate page with a link to it on all other pages.

Council and committee meetings, council sponsored events, and any days the offices are closed for holidays will continue to be posted.

Due to time constraints, Councilwoman Barb Schwartz asked the committee to find someone else to change the sign in front of the library. A downtown merchant or a Boy/Girl Scout troop may be willing to volunteer to take on the task.

There was discussion of putting up an electronic sign board in front of the library.

Links to The Comprehensive Plan, The Chamber of Commerce, and other agencies were discussed.

Putting Park Reservations on the web-site was discussed.

The Village Yard Sale, though not a Village sponsored event, should be on the web-site.

It may be worth having a meeting with Brian Schwartz to get his input on the overall look of the web-site

**New Business:**

None

Mr. Landis made a motion to adjourn. The motion was seconded by Mrs. Miller. The motion passed unanimously. The meeting adjourned at 8:39 PM.
