Chief Burson shared with the new wages in place there were 13 percent of the applicants with an associate's degree and 21 percent with a bachelor's degree. This is double the applicants received last time. The officers within the department are scoring the applicants as well. The results are expected next week and then the interviews will begin.

Chief Burson said the Village is an owner of a 2004 Grand Prix through an order by Judge McIlvaine. Chief Burson said the Village could keep the car for Village use. Chief Burson would like the Committee to consider selling the car and using the money to replace guns so they may be able to have a flashlight attachment. The Bluebook value is estimated at \$3,500. The Committee discussed the options and will suggest to Council to sell the car with a minimum and use the money for equipment.
