Chief's Report:

Chief Burson reported that all of the Seville Police Department Officers have served the community professionally and have all returned home safely. Chief Burson expressed his appreciation to the Mayor, Council, and Safety Committee, Mr. Carrick, Mrs. Bower, Mr. Sobczak, Mr. Bittaker and the Board of Public Affairs office for all of the support the Police Department receives. Chief Burson reviewed the attached end of year stats. Chief Burson noted the department worked with only five officers for most of the year.

Chief Burson talked about the stop signs at Milton & Market Streets. The officers have spent a significant amount of time monitoring the stop signs. Some of the excuses given were the stop sign was hidden and the drivers were focused on the stop light ahead. Chief Burson shared pictures of the current stop signs and pictures with the painted "stop" on the road along with reflective tape down the stop sign post. Chief Burson felt this would help prevent people from running the stop signs. After the discussion on the stop signs, Kathy Rhoads offered to talk with the Parks & Streets Committee on getting the word painted on the road and adding the reflective tape.

Chief Burson reported the Officers have been busy working on their training requirements from the State.
