Currently, part-time employees are not eligible for any paid days off. The Law Director will be consulted for any legal issues involved. Longevity pay will not be affected and seasonal employees will still not be eligible for the benefits. There was no support for an income tax increase.

There was a discussion about a pay increase for Council and the adding health insurance coverage for Council members. Mr. Stallard that these benefits might entice a larger pool of residents to consider running for office. It was mentioned that members could be asked to pay for their premiums. The issue will receive further consideration at the next Finance committee meeting.

Finance Committee Minutes

The bankruptcy of OPEC in June of 2017 has forced several employees to pay for medical bills that would have been covered by the insurance provided by the Village. The Board of Public Affairs has voted to begin procedures that would pay the outstanding bills of BOPA employees. The current dollar amount and which employees are owed will take some time to ascertain and the committee was against taking any action that involved an ordinance with "emergency language". Mrs. Rhoads suggested that withholding the Kilowatt Hour Tax may be a way to cover the bills if necessary. Mrs. Rhoads also asked why BOPA never came to the committee before taking action on this issue. Mrs. Rhoads moved to have the Law Director draft legislation to pay the bills. The motion was seconded by Mrs. Miller. The motion passed unanimously.

Leslie Miller moved to adjourn. The motion was seconded by Mr. Vierheller. The motion passed unanimously.

The meeting adjourned at 8:21 PM.

SUE FREY-CHAIRWOMAN
