Chief's Report

Chief Burson reported that all of the Seville Police Department Officers have served the community professionally and have all returned home safely. Chief Burson is proud of the service and professionalism displayed by your officers during what has been very difficult times.

Chief Burson said during February there were 21 new offenses including misdemeanors, 3 felonies, and 5 unclassified. Five reports for the 1099 fraud.

Chief Burson said all officers have completed taser recertification.

On February 4<sup>th</sup>, Officer Kilgore and Officer Banks assisted a call for an ice fisherman that fell through the pond at River Styx Park.

Chief Burson thanked Pharmacy Technician, Morgan at Drug Mart, in Lodi. Morgan noticed when they held vaccine clinics, they were having no-shows or extra doses that would go unused and wasted. Morgan contacted Drug Mart Corporate Offices and they authorized her to offer unused doses to police officers. Our Officers have received both vaccines and are grateful to Morgan's work to be able to provide the opportunities.
