New Business

Mrs. Rhoads asked that the public record request log be included on the Government agenda starting in March. The Fiscal Officer will be responsible for the log. There is nothing new on the land donation offer from the Autumn Meadows Subdivision. One of the parcels would be beneficial for the Gary Eichler Trail but the other parcels have no benefit to the Village. It was requested that a map of the proposed land donation be distributed to all committee members.

Old business

There was no update of Yard Sale plans.

Mrs. Frey asked about the progress of the roof repairs at the Municipal building. Simmons Brothers Construction has been contacted and is providing an estimate of necessary repairs and they are working with the insurance company to complete the repairs.

Mrs. Frey moved to adjourn. The motion was seconded by Mr. Vierheller. The motion passed unanimously.

The meeting adjourned at 7:48 PM.
