Larry Landis
Acting Streets Committee Chair

DECEMBER STREETS REPORT 2011

We've patched several of the potholes on village streets using an estimated 1½ tons of smp cold mix asphalt material.

We had two call outs this past month to salt village roadways, sidewalks parking lots ext.

We've completed moving all of the summer equipment into winter storage excluding some of the equipment needing maintenance, those pieces of equipment are being tore down and worked on currently.

We repaired 20 older stop signs in the village with new 3M high prism sign faces keeping in line with retro reflectivity state compliance.

Most of this past month has been spent in maintenance of ALL our equipment both streets & parks

**Respectfully Submitted by
Jon Sobczak**

DECEMBER MAINTENANCE REPORT FOR 2011 STREETS,PARKS, POLICE

The 4900 INT. dump truck we had to send it to Bobby Y's truck service to replace the oil pan, because of a leak, his labor was \$120.00 We replaced three hydraulic hoses, two for the plow, and one for the auger motor, also we replaced both batteries in the same truck and two work lights in house cost for the parts \$1056.31 total cost for parts and labor \$1176.31

The 2000 Ford pickup F250,we did a complete oil change service total cost \$110.00
