You may wish to judge when to rake by the volume of leaves on the
ground present speed and location of leaf collection activity.

**Thank you for your cooperation and assistance in following the leaf
collection guidelines.**

Questions or concerns call: 330-975-4172

LEAF GUIDELINES

1) Rake leaves into a row or pile within 4' of the curb or pavement.

2) Remove branches/sticks from the leaves. (Sticks as small as 3/8" in diameter or 5" long can clog the machine)

3) Gravel, cans, toys and other rubbish damage or cause excessive wear on the machine.

4) Remove pet waste

**The leaf route will
begin 10/21/2024
Monday-Friday until
the week of
Thanksgiving, ending
on 11/25/2024**
