SEALED BIDS for the materials and construction of improvements for the “**Wastewater Treatment Expansion Rebid**” project will be received electronically through Bid Express by the Village of Seville at the Board of Public Affairs until:

1:00 pm LOCAL TIME

on

March 7, 2025

1. The project will add a sequencing batch reactor (SBR) to double the rated capacity of the Village's WWTP, increase dry weather capacity, and improve performance. The project includes construction of SBR tankage and installation of new SBR equipment and controls, replacement of decanters, construction of a new lab building, clarifier replacement, roof and handrail replacement, controls, commissioning, and site restoration. SBR equipment will be purchased directly by the Village for contractor installation.
2. All work shall be completed within a reasonable timeframe as scheduled by the successful bidder, but will not begin prior to **April 1, 2025**, nor end after **December 1, 2026**. The Village reserves the right to dictate the construction duration as deemed necessary by the Village Council.
3. The contract documents, including plans, specifications and geotechnical investigation are available online through the Bid Express® service at www.bidexpress.com under the “PUBLIC PROJECTS” link. Selecting the project name will allow bidders to view the plans. To receive plans, bid documents, and addenda, bidders must order them directly from Bid Express. Bidders will pay Bid Express directly for reproduction/delivery costs.
4. **A mandatory pre-bid meeting will be held at 10:00 AM on February 13, 2025**, at the Seville Wastewater Treatment Plant located at 4835 Mill Rd, Seville, Ohio 44273.
5. Bids shall be submitted on the forms provided through Bid Express and shall state the Unit Price or Lump Sum as indicated by the blanks provided therein.
6. Domestic steel use requirements as specified in section 153.011 of the Revised Code apply to this project. Copies of section 153.011 of the Revised Code can be obtained from the office of the Ohio facilities construction commission.
7. This procurement is subject to the EPA policy of encouraging the participation of small business in rural areas (SBRAs).
8. The Village reserves the right to reject any or all bids and to waive any irregularities in bidding. The Village also reserves the right to increase or delete any portion of the proposed work.
