SEALED BIDS for the materials and construction of improvements for the “**Wastewater Treatment Expansion – SBR Equipment**” project will be received electronically through Bid Express by the Village of Seville at the Board of Public Affairs until:

1:00 pm LOCAL TIME

on

March 7, 2025

1. The project will add a sequencing batch reactor (SBR) to double the rated capacity of the Village's WWTP, increase dry weather capacity, and improve performance. The project includes equipment purchasing for installation by others of the new SBR equipment, new SBR controls, replacement decanters, replacement valves and actuators, and replacement pumps and blowers. Installation of all equipment will be performed under separate contract.
2. All equipment shall be delivered to the Village within a reasonable timeframe as scheduled by the successful bidder and coordinated with the installation contractor. All equipment is to be installed and operational no later than **December 1, 2026**. The Village reserves the right to dictate the construction duration as deemed necessary by the Village Council.
3. The contract documents, including plans and specifications are available electronically by contacting Kevin Bittaker by e-mail at kbittaker@sevillebopa.org. Bid items will then be provided via -email.

4. Sealed Bids shall be submitted to the Village Board of Public Affairs by the due date and time at:

Seville Board of Public Affairs

120 Royal Crest Drive

PO Box 46

Seville, OH 44273

Envelopes shall be clearly marked “Wastewater Treatment Expansion – SBR Equipment”

5. Domestic steel use requirements as specified in section 153.011 of the Revised Code apply to this project. Copies of section 153.011 of the Revised Code can be obtained from the office of the Ohio facilities construction commission.
6. This procurement is subject to the EPA policy of encouraging the participation of small business in rural areas (SBRAs).
7. The Village reserves the right to reject any or all bids and to waive any irregularities in bidding. The Village also reserves the right to increase or delete any portion of the proposed work.
