RESOLUTIONS UNDER CONSIDERATION: None

• **New Business**

- Clarification for Longevity and Vacation- The council is preparing to amend the employee handbook to clarify employee longevity and vacation benefits. Although the longevity and vacation structures should align, the current text is confusing to interpret. Mr. Gelles drafted a reference table. This table will map years of service directly to corresponding longevity and vacation rates to simplify interpretation for current and future staff.
- Rumpke – The village trash collection contract with Rumpke is nearing expiration. They are going to send a new contract with a 3% increase for the duration of the contract, not 3% annually.

• **Old Business**

- Data Center Discussion – No new updates at this time.

- **Privilege of the Floor:** Missy Reig 148 Royal Crest Drive stated she made a request to Zoning Committee to make a formal request to Council to direct the Solicitor to investigate getting a moratorium. She was assuming this discussion would take place tonight.

Mr. Gordon stated that this information that was given to the members tonight shows municipalities putting the issue on a ballot for residents to vote on but it remains to be seen if that will legally stand up or if there will be any legal battles regarding this. Council has not decided on ask the solicitor to move forward with anything at this time.

Mr. Brilla stated we are waiting to find out from the other municipalities whether it will be better to put it on the ballot or set an ordinance to block them, then we will know what to do from there.

- **ADJOURN:** Mr. Eby made a motion to adjourn which was seconded and carried. The meeting adjourned at 7:12 pm.

Paul Brilla - Chair
