Pending/Completed Legislation: None

New Business:

- **New Employee for Streets & Parks** – Mr. Manges stated we had several good applicants. He hired Brody Geiger who will begin November 2nd. Brody will attend next month's meeting for an introduction.
- **Update to Field Usage Form** – Mr. Manges and Mrs. Gray discussed the issues of overcrowding and parking at the fields this fall. The field usage form has been updated with a few changes to address these issues. The Committee reviewed and agreed to the changes. The form will be sent to all youth groups that use the fields. If any of the youth groups have questions or concerns, they can attend the meeting in November. All forms will be reviewed in December for approval.

Old Business:

- **Update on the handicap access to the trail in Autumn Meadows** – We have had a resident request an ADA curb cut at the cul-de-sac to connect the trail. Mr. Manges stated the sidewalk to trail transition is already smooth. A few issues that

he has observed is the cluster of mailboxes encroach on the sidewalk making it complicated for wheelchair passage. A curb cut at the cul-de-sac would enter directly into the roadway without crosswalks, creating safety issues. There are no nearby crosswalks to safely route to the access point. Alternatives involve private drives. The committee agreed this would not be a safe option at this time.

Privilege of the floor: None

Adjourn

Mrs. Miller made a motion to adjourn. The motion was seconded and carried. The meeting was adjourned at 7:36 pm.
